

Backstop Solutions Group, EXENET, Global Relay and HedgeOp Compliance Join Forces to Present the Hedge Fund Technology Symposium in New York City on April 7, 2008

Hedge fund professionals invited to complimentary educational event that will offer expert insights on incorporating the latest technologies to streamline your business and ultimately generate greater returns for your investors.

New York – March 10, 2008 – Backstop Solutions Group, EXENET, Global Relay and HedgeOp Compliance, today announced the inaugural Hedge Fund Technology Symposium. This free educational event for hedge fund managers, CCO's, CTO's and other hedge fund professionals will take place April 7th from 12:00pm-6:00pm at HedgeOp's offices located at 3 Park Avenue, 14th Floor, and includes lunch and a cocktail reception starting at 4:30pm. Space is limited, so participants should register early at <http://conferences.hedgeop.com>.

"In the highly competitive hedge fund arena, every edge is crucial to achieving success," stated Bill Mulligan, CEO of HedgeOp Compliance. "Our goal for this event is to inform, educate and inspire hedge fund professionals by introducing truly innovative technological approaches to compliance, investor relations, email/IM archiving and IT infrastructure."

The event begins at 12:00pm with lunch and a keynote address by Robert Heim, a former Assistant Regional Director of the U.S. Securities and Exchange Commission. After a short break, the event will continue with four 30-minute sessions led by the event sponsors, Backstop Solutions Group, EXENET, Global Relay and HedgeOp Compliance, LLC.
